

The Norfolk Seniors County Closed 2020

For the first time the Norfolk LTA & Easton College are working together to run the Norfolk Senior County Closed event for 2020.

For this year we are trying something different and each event will be run over one day. Competitors can only enter one event on each day.

To ensure the success and safety of these events we will limit the number of entries and will have strict Covid protocols in operation and these will be shared before the tournament begins.

The start times listed may change if entries differ greatly from those predicted and these changes will be shared in good time. The dates will not change.

All entries have to taken via the LTA website. If we do have spaces left in the draw after the closing date we will be able to take telephone entries on 01603731302.

To find the event online go to <https://www3.lta.org.uk/Competitions/Search>
Search by age/gender and then postcode is the quickest way to find our event.
